El Establo

Nestled in the misty cloud forest of Monteverde, El Establo offers the best quality services that will make your trip an unforgettable experience. Enjoy a private forest with trails and the best viewpoints for panoramic views towards the Gulf of Nicoya, heated indoor pool, tennis court, spa and fitness center. Additional children under 2 stay for free.

Monteverde was originally settled as a Quaker farming community in 1951 by people refusing to register for the military draft on religious grounds. It remained the same for over 20 years until the surrounding forests were purchased by the World Wildlife Fund in a (futile) effort to preserve the last remaining habitat of the then endemic but now extinct Golden Toad. The Monteverde Cloud Forest Preserve and other nearby reserves have become a major attraction for birders and nature enthusiasts.

Nammbu

Exquisitely placed overlooking 200 degree views of Carrillo Beach in Guanacaste, Costa Rica. Closest airport to Nammbu is Liberia International Airport. Guanacaste is known for their spectacular beaches and Playa Carrillo is no exception to the rule. Carrillo Beach, just south of Samara Beach, is on the Peninsula of Nicoya. It has great unique beauty, making it the ideal place to go to unwind and relax. So come to experience an unforgettable experience with nature.
