

JC Raulston Arboretum

2017 Annual Report

Two thousand and seventeen was another outstanding year for the Arboretum. We set records in membership and in attendance at our Winter Symposium, Spring Egg Hunt, Raulston Blooms!, and Moonlight in the Garden. We did a lot of traveling, including a speaking engagement and plant collecting trip in China, and leading a tour to Italy, Monaco, and France. In addition, more than \$42,100 was given towards our end-of-year appeal for garden improvements, landscaping lighting, and other renovations

Raulston Blooms!, Gala in the Garden, and Moonlight in the Garden

The annual proceeds from Moonlight in the Garden, Raulston Blooms! and Gala in the Garden support not only vital JC Raulston Arboretum staff positions, but critical unrestricted funds that are used for its daily operational expenses, educational programs, and on-going research. These proceeds directly help to keep the gates open, the gardens in top shape, and the plant collections impressive.

Volunteers

Every year we are amazed with the amount of time and effort our volunteers devote to the Arboretum. Two thousand and seventeen is no different. Our volunteers continue to take on new projects and look for ways to make the Arboretum a wonderful place to visit and enjoy. Though we try to thank them in many ways, it will never be enough. As you can see from the number of hours our volunteers log each year, they are an amazing group. We are truly grateful for all they do.

Volunteer Hours: January–December 2017

Our volunteers gave an amazing 12,420 hours of their time in 2017. Their efforts have made the Arboretum a showplace in the community.
