

The Top 10 for Summer 2021 Bed

This list shows the species/cultivars with the top 10 'All Season Averages'....and if there are more than 10, well, look for the ties. The plants with the very best scores are listed first. These were our best performers for the whole season!

	source	# weeks in flower	# weeks rated above 3	all season average	all season variance	early season average	early season variance	late season average	late season variance
